tomorrow.**

£25 can
buy a 50kg
bag of rice
that will
feed a
compound
for over a
month

Mission
Gambia
2025

**These children live at an Islamic orphanage.
They have no family. They have nothing. They
had not eaten for 2 days. The rice pictured will
feed everyone (120 people) for 4 months**

£5 buys a
mosquito
net which
can save
lives

£20 buys
each child a
mattress

**There are over 60 children sleeping in this room.
Temperatures are rarely under 30 degrees due to the
metal roof and lack of windows/fans. The room is full
of mosquitoes that often carry malaria/yellow fever**

**Mission
Gambia
2025**

13 people from 1 family live in this room. They have no access to running water or a toilet.

£500 can build a toilet block that would service hundreds of people.

£1000 can build a bore hole so the local community can access running water.

**Lots of people suffer
from cataract issues
due to the bright
sun/dust/sand.
This leaves a lot of
people blind...**

**£10 will pay for an
operation for each
child to have their
cataracts cleared and
be bought glasses
that prevent further
issues.**
