Dear Parents and Carers

### Peripatetic Music Lessons

We are pleased to inform you that we have secured a new music provider at Tenbury High. The organisation, **Severn Arts**, will be delivering instrumental music lessons within the school day. This new partnership allows us to continue offering **high-quality music tuition**, taught by experienced specialist tutors, and ensures that pupils have ongoing opportunities to develop their musical skills.

We are currently able to offer lesson slots in the following instruments:

- Guitar
- Drums

Lessons will take place on a weekly basis during school hours and will be arranged in 20-minute individual sessions. The cost per lesson is £16.15, and payment is made in instalments via ParentPay. Further details regarding the payment schedule will be provided upon confirmation of a place.

These lessons are an excellent opportunity for pupils to develop their musical ability, build confidence, and engage creatively beyond the classroom curriculum. Learning an instrument can also support wider academic progress, enhancing concentration, discipline, and resilience

Please note that lesson availability is limited. Places will therefore be allocated on a first-come, first-served basis. We encourage early expressions of interest to avoid disappointment.

If you would like your child to be considered for lessons, please click the link to fill out a Microsoft form:

Deadline : **Tuesday 28<sup>th</sup> April**

We look forward to supporting our pupils in developing their musical talents.

Kind regards
