

## Personalised Year 11 Revision Boosters, exam warm-ups and Exam Timetable 2026

This is it! We are on the final sprint of our GCSE marathon.

To continue supporting you we have put in place a schedule of exam warm-ups and revision boosters to help ensure key content is fresh in your minds for the exams.

- Revision Booster:
  - a 2-3 hour slot which is the morning of, or the day before an exam
  - Revising strategic topics with specialist teachers
- Exam warm-up:
  - 8:45am – 9:20 am or 11:50am – 12:50pm directly before the exam
  - A shorter session aimed at getting pupils ready and in the right ‘subject mind’ before the exam
  - Recall based to get the brain working rather than the brain getting up to speed in the exam time

This timetable places you in the best position, in front of your expert teachers, in the final run-up to your exams. There are also some independent revision slots scheduled in to allow you to work on your own independent areas of development.

The timetable has subjects and rooms, so please follow this timetable from 8<sup>th</sup> May rather than your ‘normal’ timetable. For any sessions where it has ‘independent revision’ in a classroom which is not your usual one, you will be told where to go on the day via the pupil notice board and these will be shared in the next couple of weeks.

You also have a reminder of the JCQ exam regulations on the next two pages. You must follow these or you will have malpractice logged and reported to the exam board and they will decide upon the consequences for the malpractice. Example consequences range from warning letters to removal from all examinations for that exam board.

Please remember to look after yourselves over the exam period; schedule down-time, get a good sleep hygiene routine and reach out for support if you need it. We are right behind you, every step of the way and wish you the best of luck.

Mrs Wall

## Information for candidates for written examinations – effective from 1 September 2025

 AQA	 City & Guilds	 CCEA	 NCFE	 OCR	 Pearson	 WJEC
------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------

This document has been written to help you. Read it carefully and follow the instructions. If there is anything you do not understand, especially which calculator you may use, ask your teacher.

<b>A Regulations – Make sure you understand the rules</b>	
1	Be on time for all your exams. If you are late, your work might not be accepted.
2	<b>Do not</b> become involved in any unfair or dishonest practice during the exam.
3	If you try to cheat or break the rules in any way, you could be disqualified from all your exams.
4	You <b>must not</b> take into the exam room any unauthorised material, including: a) notes; b) earphones or earbuds (e.g. AirPods), mobile phones, MP3/4 players or similar devices, smart devices, smart glasses, tablets (e.g. iPads or iPods); c) a watch. Any pencil cases taken into the exam room <b>must</b> be see-through. <b>Remember: possession of unauthorised material is breaking the rules, even if you do not intend to use it, and you will be subject to sanctions and possible disqualification.</b>
5	<b>Do not</b> use correcting pens, fluid or tape, erasable pens, highlighters or gel pens in your answers.
6	<b>Do not</b> talk to or try to communicate with or disturb other candidates once you have entered the exam room.
7	You <b>must not</b> write inappropriate, obscene or offensive material.
8	If you leave the exam room unaccompanied by an invigilator before the exam has finished, you <b>will not</b> be allowed to return.
9	<b>Do not</b> borrow anything from another candidate during the exam.
<b>B Information – Make sure you attend your exams and bring what you need</b>	
1	Know the dates and times of all your exams. Arrive at least ten minutes before the start of each exam.
2	If you arrive late for an exam, report to the invigilator running the exam.
3	If you arrive more than one hour after the published starting time for the exam, you may not be allowed to take it.
4	Only take into the exam room the pens, pencils, erasers and any other permitted equipment needed for the exam.
5	You <b>must</b> write clearly and in black ink. Coloured pencils or inks may be used for only diagrams, maps, charts, etc., unless the instructions printed on the front of the question paper state otherwise.
<b>C Calculators, dictionaries and computer spellcheckers</b>	
1	You may use a calculator unless you are told otherwise.
2	If you use a calculator: a) make sure it works properly; check that the batteries are working properly; b) clear anything stored in its memory; c) remove any parts such as cases, lids or covers which have printed instructions or formulae; d) <b>do not</b> bring into the exam room any operating instructions or prepared programs.
3	<b>Do not</b> use a dictionary or computer spellchecker unless you are told otherwise.

<b>D Instructions during the exam</b>	
1	Always listen to the invigilator. Always follow their instructions.
2	Tell the invigilator at once if: a) you think you have not been given the right question paper or all of the materials listed on the front of the paper; b) the question paper is incomplete or badly printed; c) you think you have not been given the expected access arrangement(s).
3	Read carefully and follow the instructions printed on the question paper and/or on the answer booklet.
4	<b>Do not</b> start writing anything until the invigilator tells you to fill in all the details required on the front of the question paper and/or the answer booklet. <b>Do not</b> open the question paper until you are told that the exam has begun.
5	Remember to write your answers within the designated sections of the answer booklet.
6	Do your rough work on the proper exam stationery. Cross it through and hand it in with your answers. Make sure you add your candidate details to any additional answer sheets that you use, including those used for rough work.
<b>E Advice and assistance</b>	
1	If, on the day of the exam, you feel that your work may be affected by ill health or any other reason, tell the invigilator.
2	Put up your hand during the exam if: a) you have a problem and are not sure what you should do; b) you do not feel well; c) you need more paper.
3	You <b>must not</b> ask for, and will not be given, any explanation of the questions.
<b>F At the end of the exam</b>	
1	If you have used more than one answer booklet and/or any supplementary answer sheets, place them in the correct order. Place any loose additional answer sheets inside your answer booklet. Make sure you add your candidate details to any additional answer sheets that you use. For CCEA examinations, any loose additional sheets should be placed behind your script.
2	<b>Do not</b> leave the exam room until told to do so by the invigilator.
3	<b>Do not</b> take any stationery from the exam room. This includes the question paper, answer booklets (used or unused), rough work or any other materials provided for the exam.
<b>This information must be made available to all candidates in advance of their examination(s) for each series. It may be provided electronically to candidates or in hard copy paper format.</b>
