Dear Parents/Carers

### Subject: Year 11 Hoodies and Exam Expectations

Thank you for your support in preparing our Year 11 pupils for their first week of GCSE exams. We are a week in and pupils are working hard and using their time in front of their teachers well. As I would expect, conduct in the exams has been outstanding.

We would like to let you know that all Year 11 pupils who ordered hoodies have now received them. These leavers' hoodies may be worn in school at appropriate times; however, they must **not** be worn during examinations. This is due to JCQ regulations, which prohibit clothing with large pockets in the exam hall. Please also note that no other hoodies are permitted to be worn in school.

When wearing leavers' hoodies, pupils must ensure that they have **full, correct school uniform underneath**. In addition, they are required to bring their school jumper with them each day so they can change into it before entering any exam.

It is essential that all pupils follow these expectations to ensure that examinations run smoothly and in line with the required regulations.

Thank you for your support.

Kind regards

*G. Prouse*
