**Date:** Wednesday 6<sup>th</sup> May  
**Times:** Meet/Drop off at 9:30am  
Pick up at 4.0pm

### **Itinerary**

Your day will consist of a circular accompanied walk in your expedition groups, during which you will be putting into practise all that you learnt on the previous session. You will also go through the practical use of our Emergency Procedures Flowchart to solve likely scenarios you may face on your expedition, as well as using the 'OS Locate' app to help you when you get lost!

You will also be Pitching a tent and discussing camp craft needed for your expedition.

### **What You Need**

- You will need to wear old clothing that can get wet and muddy with layers to suit the weather and waterproofs in your day bag.
- You will need to wear walking boots.
- You will also need to bring a substantial packed lunch and a drink (1 litre min) in a resealable container.
