1st May 2026

Dear Parents/Carers

Year 11 Maths Booster Session (for pupils missing their in-school booster due to a Computer Science Exam)

I am writing to invite your child to attend an additional Maths Booster Session on Wednesday 13th May, from 3:15pm to 4:15pm. This session has been arranged specifically for pupils who will be unable to attend their in-school maths booster due to sitting a Computer Science examination at the same time as the Maths Booster Session.

The session will provide targeted revision and support to help pupils prepare effectively for their forthcoming maths examination on Thursday 14th May.

Attendance is strongly encouraged, as this session will ensure that pupils do not miss out on important revision and preparation time as a result of their examination timetable.

If transport home after the session may be a difficulty, please let us know as soon as possible. We will do our best to help make suitable arrangements; however, please note that we cannot guarantee transport will be available.

We would appreciate it if you could confirm whether your child will be able to attend by completing the **Microsoft Teams form** provided on the following link:

[Booking Form – Maths Booster Session](#)

Thank you for your continued support in helping your child prepare for their examinations. If you have any questions or require further information, please do not hesitate to contact the school.

Yours sincerely

Mrs K Bromley

Mrs Bromley
Head of Mathematics, Statistics and Computer Science
