Dear Parents/Carers

### Year 11 Maths Booster Sessions

---

I am writing to invite your child to attend a Maths Booster Session taking place after school on Tuesday 2nd June and Tuesday 9th June, from 3:15pm to 4:15pm.

These sessions are designed to provide targeted support and additional revision to help pupils consolidate key skills and build confidence in preparation for their forthcoming maths examinations, which will take place on Wednesday 3rd June and Wednesday 10th June.

Attendance at these sessions is strongly encouraged, as they will give pupils valuable extra practice and the opportunity to ask questions in a supportive, focused environment.

If transport home after the session may be an issue, please let us know as soon as possible. We will do our best to assist with making suitable arrangements; however, please note that we cannot guarantee that transport will be available.

We would be grateful if you could confirm whether your child will be able to attend by completing the form via the following link:

[Maths Booster Session Booking Form](#)

Thank you for your continued support in helping your child succeed. Should you have any questions or require further information, please do not hesitate to contact the school.

Yours sincerely

*Mrs K Bromley*

Mrs Bromley  
Head of Mathematics, Statistics and Computer Science
