June 2026

Dear Parents/Carers

Subject: Digital Education Records for Year 11 Pupils

Next Friday, we will be issuing digital education records to all Year 11 pupils.

Education records are part of a new Department for Education (DfE) service designed to give pupils easy access to their education information and support them as they move on to post-16 education.

Each pupil's record will include:

- Their name, address, and date of birth
- The schools they have attended
- Their qualifications (added once results are released)
- Any identified support needs

These records will be accessed through the DfE Education Record app. Pupils will need to download the app onto their mobile phones in advance from the Apple App Store or Google Play Store. The issuing process itself will take place in school.

Please note the minimum device requirements:

- Apple (iOS): version 15.0 or later
- Android: version 8.1 or later

Once issued, pupils will have secure access to their education information on their phones and can use the app to share their details directly with sixth forms or colleges during enrolment.

If you have any questions, please do not hesitate to contact the school.

Yours sincerely

Mrs D Wall
Vice Principal
