ORMISTON ACADEMY

Pupil Setting Up Information – Arbor

We need all pupils to be set up on Arbor ready for September 2026. For Year 7s joining us in September, we will set you up in the first few days.

Welcome to Arbor! Tenbury High is using Arbor from 1st September 2026 to replace Edulink. We are pleased that an account has been set up for you. You will have heard Mr Wilks' assembly about Arbor last week [PowerPoint Presentation](#)

To finish creating your account, you just need to set a password. You can do this by going to login.arbor.sc, clicking on 'Forgotten Password?' and following the instructions on screen. This will take you to the Arbor website. Once you have created a password, you then need to download the **Arbor Student App** either by searching in the App Store/Google Play Store etc or by using the QR sent by Mr Wilks. You will then be able to sign in using your username and the password you created.

Your username is your **school email address**.

If you have trouble setting up your password or have general questions about the Student Portal, visit [this Help Centre article](#). For any other queries, please contact admin@tenburyhigh.co.uk

Assignments (Homework) - please note that homework can either be submitted using the Arbor Student App on your phone/tablet or using the Arbor website <https://tenbury-high-ormiston-academy.uk.arbor.education/?/home-ui/index> on a PC/Laptop. You can book mark this link to make it easier to return to.
