

RSHE Policy 2026-27 Consultation

Dear Parents / Carers,

As part of the review of our Relationships and Sex Education and Health Education policy, we invite you to share your views on the draft document.

You can access the consultation survey using the link below. You will find a link to the draft policy on the survey.

[Tenbury High Ormiston Academy Personal Development curriculum and RSHE Policy consultation – Fill in form](#)

I need to stress that the content outlined in the policy is written using the Department for Education’s statutory guidance (Relationships and Sex Education and Health Education) and content. This means that the content must be taught in all secondary schools in England.

If you have any concerns about the planned content, please don’t hesitate to get in touch with Mr Watts, PSHE and Citizenship Lead, for more information about the curriculum or to see our planned lesson resources.

The formal consultation will close on Thursday 9th July 2026. However, after this point, you are always welcome to get in touch to raise any questions or concerns.

Yours sincerely,

Mrs V Dean
Principal

Mr H Watts
PSHE and Citizenship Lead
