### After school Intervention

Dear Parent/ Guardian,

### After school Intervention

The maths department are running after school sessions for year 11 pupils who we feel would benefit from extra tuition from 9<sup>th</sup> September 2026. These sessions run on a Wednesday after school from 3:15 pm – 4:15pm.

The sessions will focus on exam skills they need to achieve or surpass their target grade.

Attendance is absolutely vital so that our students have every opportunity to meet their full academic potential. As this is a revision/development session and not an afterschool club, I would ask that you kindly understand that phones must be handed to the teacher at the beginning of the session. They will be given back at 4:15pm when the session is over.

If you need any more information or have any questions, please do not hesitate to contact me.

Kind regards

Mrs K Bromley  
Head of Mathematics and Computer Science
