11th September 2026

Dear Parents/Carers

We are delighted to share some exciting news for our Year 7 students this year!

As part of their French learning, our Year 7 pupils will be taking part in a pen-pal exchange with students from a school in France. The school is located just south of Paris, near the beautiful city of Versailles, and we have enjoyed a successful partnership with them for many years.

Throughout the year, our students will write letters in French to their French pen pals, while the French students will write back in English. This wonderful exchange gives pupils the opportunity to communicate with real French students, learn about life in another country, and see how language is used in everyday situations.

The project has always been a great success, with students thoroughly enjoying making connections with young people in France and eagerly awaiting each new letter. Please be assured that no personal contact details or social media information will be shared during the exchange.

This is a fantastic opportunity for students to:

- Discover more about French culture and daily life
- Learn about the French education system
- Build international friendships
- Develop their literacy and communication skills
- Gain confidence in using French for a real purpose

We are hoping to write our first letters in October, and we are very much looking forward to this exciting journey.

We hope you will enjoy reading and discussing the letters with your child as they arrive.

If you have any questions, please do not hesitate to contact me.

Yours sincerely

Madame Lodo
