Dear Year 7 Parents/Carers

Our new Year 7 pupils have made an outstanding start to life at Tenbury High. Many members of staff have commented on their excellent manners, positive attitude to learning, and the enthusiasm they have shown in their lessons. They have made a fantastic first impression, and we are incredibly proud of how well they have settled in.

As Head of Year 7, my role is to support pupils as they adapt to new routines and make a successful transition to secondary school. Alongside our dedicated team of tutors, I will be working closely with students throughout the year to help them navigate a new environment, build positive friendships, and develop confidence and independence.

We believe that happy pupils are successful pupils, so we are committed to ensuring that every child feels supported, valued, and encouraged to enjoy their school experience. We are also passionate about celebrating academic achievement and helping all pupils thrive in their new subjects and reach their full potential.

The following members of staff will be working closely with Year 7 this year to ensure that your son or daughter has the very best start to their journey at Tenbury High:
