Vice Principal: Mrs D Wall
Assistant Principal: Mr A Wilks

IMPORTANT INFORMATION – OCTOBER 2026

We would like to make families aware of a potential safeguarding concern that has recently been brought to our attention.

A secondary school in Hereford has reported an incident involving a young person who harmed themselves using an item of stationery (Craft Pen) that contained a concealed sharp component. The item can resemble an ordinary pen, meaning that it may not immediately be recognised as something that could present a risk.

We are sharing this information simply to raise awareness amongst parents and carers and would encourage families to be mindful of stationery items being purchased or brought into school, particularly unfamiliar items purchased online.

If you have any concerns about an item your child has purchased or is carrying, please speak to them and contact the school if you feel we can offer any advice or support.

Thank you for your continued support in helping us to keep our young people safe.
