October 2026

Dear Parents/Carers,

I would like to welcome back the pupils in Years 10 & 11, and delighted to see them settle back into their studies. As we approach the assessment period I would like to highlight the importance of understanding and familiarising themselves with the below JCQ (Joint Council for Qualifications) documents.

JCQ's guidelines and regulations provide the framework for how assessments and exams are conducted, and it is imperative that all pupils, parents and carers are aware of these regulations to ensure a smooth experience.

These include the "Information for Candidates - Coursework Assessments" and the "Information for Candidates - Non Exam Assessments"

Pupils are also asked to read the "Information for Candidates – Privacy Notice", as we use AQA, Cambridge OCR and Pearson Exam Boards for the variety of subjects we offer.

If you have any questions or need further guidance, please do not hesitate to contact the Subject Teachers, Form Tutor or myself.

Yours sincerely,

A Tilt
